

# ZU Wi-Fi Connecting Steps

## ➤ New Samsung Mobiles

When you connect to ( ZU-WiFi ) you'll get this

1. Click on ( Advanced )
2. From (Phase 2 authentication) drop menu, choose (MSCHAPV2).
3. Leave all other fields blank & click (Save).
4. You'll return to the first window you got before.
5. Here; from (CA certificate) drop menu; if you have many options, choose (Do not validate).
6. Enter your Username in the (Identity) field.
7. Enter your Password in the (Password) field.
8. Now (Connect).
